

## Life Groups – Summer Series Meadowlark Church of Christ

Dear Life Group Leader,

During the summer months, June, July and August, we will be studying a series of lessons called *Character, Who Are You When No One Is Looking?* This series is loosely based on a book about character written by Bill Hybels several years ago. His book might serve as a good resource for additional study.

We will provide two study guides for each month. The subjects include: courage, discipline, vision, endurance, compassion, and self-sacrifice. Of course, these subjects have incredibly rich resources in Scripture so I encourage you to add to and expand each of these topics as it suits your group.

If you need additional help in preparation or some additional resource materials, feel free to contact me at any time. I am happy to help you make each lesson a great learning experience for your group.

I am so thankful for your commitment to leading one of our Life Groups. I hope that God will help make this Summer very productive as we come together to strengthen relationships and learn more how God would have us live.

God's Blessings,  
Doug Hall
