The Church is God's Lighthouse

The Church is God's Family

Why a “Family”?

- 1. *Jesus teaches us the VALUE he has for those who hear and believe His message.***
- 2. *There are so many in our world who are longing for “family”... the church can be a “family” for them.***
 - *Christ is the head (Colossians 1:18)***
 - *God’s “Household” (Ephesians 2:19)***

Are you a part of God's family?

- Do you believe that Jesus is the Son of God?
- Have you confessed your faith?
- Have you been baptized (born again) for the remission of sin and know that Christ has added you to his body—the church (Acts 2:47)?

YOU can be a part of the Royal Family today!
