Today's Message: "Spiritual Heart Disease" (Hebrews 3:1-15)

CDC:

- ***Coronary "event" every 25-30 seconds.***
 - ***Every other one is fatal.***
- ***2009: 785,000 Americans will die from heart problems.***

Spiritual “heart disease”:

- *‘Heart’ ... over 680 times!*
- *Above all else guard your heart.
(Proverbs 4:23)*
- *Jesus: “..honor Me with their
lips, ..heart is far from Me”
(Matthew 15:8)*
- *Jeremiah 17:9-10*

Biblical Truth:

*If you have been through life struggles and are now **ANGRY WITH GOD** – it is simply because you don't fully understand what God has been up to.*

Where do I begin?

1. Consider Jesus (3:1)...the Apostle..High Priest..Faithful
2. Keep a soft heart for God (3:8).
3. Recognize my own strongholds of sin (3:12-14).

***Make a decision to DO SOMETHING
about **heart disease** today!***
